About This is a site all about the relationship between Carrie and Connor from "The Carrie Diaries" (CW, CW 2012-2015). I'm going to recap the first three seasons. Season 4 was never officially picked up, and I don't know if the series will ever get made, so there is not much info for you to read about it. All the posts are going to be linked to an episode/season, so you can find them easily. The series is based on the book "Flirting With Disaster" by Candace Bushnell, and I am summarizing it based on the online screenplay: www.cwbasic.com/screenplays/fld. I am not going to write a series of reviews about the show, because I feel that the series doesn't belong to me, it belongs to everyone. There are many great things about the show, but it is also known for a lot of things that could be considered as flaws. I've always watched the show with an open mind and thought that the flaws are the reason why it's 6a5afab4c

## The Carrie Diaries Folder Icon

Carrie Diaries is a TV show that has aired on the CW for 2 seasons to date. The TV series was created by Tina Fey and produced by Warner Brothers. The Carrie Diaries revolves around a 17 year old high school student named Carrie Bradshaw (AnnaSophia Robb) who lives in New York City. As a teenager, she finds herself a television journalist working for The New York Times. All in all, the show isn't the best and it isn't the worst but it can be watched by everyone out there for a short or a long time. This theme is based on Carrie Bradshaw's iconic magazine lifestyle icon. The icons are resized and placed on a simple beveled background. The layout is intended for applications that support icon packs. That means you will be able to use the same or similar icons as you use in most other icon packs. The pack includes 50 icons in total.
