"The new name, The 99, is a tribute to the 99 top titles, representing 99 percent of the total Spanish-language market." It will be on display at the August 23-25 festival, which highlights Spanish-language filmmaking at venues including Chicago's National Museum of Mexican Art and, in its 60th year, Los Angeles' historic Aero Theatre. Renamed for the 99 titles, the festival is set to close on October 27 with a gala screening at the Michigan Theater in Ann Arbor.Q: Laravel 5.3 How to retrieve id of the modified record I have this code: Articles::where('user_id', Auth::user()->id)->update(['created 82138339de
