LPR Fundamentals of Medical Physiology. Read 5 reviews from the world's largest community of readers. LPR FOUNDATIONS OF MEDICAL PHYSIOLOGY, ... On the other hand, I would be extremely annoyed if someone thought that I was hiding something. If you wanted to find something in my book, then in any case you would find everything you need, since I cover each of the questions posed in great detail. This is the only reason why I have to spend time writing material over several pages. I would like to point out that my books are intended for practicing physicians only.
