The Elder Scrolls Online: Elsweyr adds new features and content as well as online game features that will provide a richer and deeper experience. It is now available in three zones: Summerset Isle, Shimmering Pool and Valley of the Four Winds. The new island, Summerset Isle, contains a new and different landmass, as well as dungeons, PvP and a higher level cap. Many content and features will only be available until 2015 and beyond. New dungeons have been added, as well as new weapons, armor and magic. The game will feature new quests, skills and activities. And new races, such as Imperials, Altmer and Khajit are also included, among other new features. QUICK PLAY: THE ELDER SCROLLS ONLINE: ESO is now available on iOS (Apple) and Android devices. SUPERHARD SKILL: We've taken the widely acclaimed MMORPG class system, refined and improved its mechanics, and added various well-balanced abilities. NEW CHALLENGES IN THE WORLD: This is a new adventure and new twists on the battle. A more diverse experience is waiting for those who dare. NEW MAPS, EVENTS, MONSTERS & MORE: Small improvements have been made to the game's various systems that provide more fun for all players. These changes will benefit new and old players alike. Elden Ring is an action RPG game developed by VisualArt's. You can also play Elden Ring Lite, here.

With Elden Ring, you can play as a powerful adventurer "Ryne," and advance through a story-driven online game that is rich in various elements. In the relatively small web-based browser game environment, you play a game of vengeance against the evil party "Altharr."

Among the many battles you will fight, there is the benefit of a powerful attack system that is perfectly suited to action as well as fighting game players. Players can wage the battle of strength, tactics, and fortune with superior weapons, protect themselves with defense capabilities, and summon powerful magic that has the power to completely change the course of battle. You can even find powerful weapons and armor—and the remarkable Armady! system lets you combine weapons and armor.

Furthermore, "Ryne" has a level-based construction system, where players can and decide the level of progress and advancement of the game based on the amount of playtime and resources accumulated. Depending on your preferred method of play, your own unique experience will be able to become the best "Ryne" in the game!

Not only that, but bringing the "Altharr" game to a global online environment, experience real-time multiplayer battles against players all over the world in real time that are even more lively than they were in the local town.

Altharr is an Online RPG with Multiplayer Battles

Tarnished Fantasy Action RPG - game is one of the best action RPG in the Market. This game is main focused on the story. The Graphics are outstanding to play but not the best I have seen like Dark Horse. The gameplay is good and fast paced. Overall it has good management when it comes to the battle. The boss battles are pretty decent. However do not get F*cked by powers in the dungeons This game is perfect for the person who likes a good story over graphics. If you are not okay with an RPG game or can't pay hundreds of dollars for a RPG game like Elder Scrolls then this game is for you. Let's get started and have some fun. *** Important note*** Update 3.0.4 Mainly a fix to the other things that I have noticed. Update 3.0.3 Mainly a fix to the SD card not automounting on PC. I also removed the payment for the game. Update 3.0.2 I fixed the music. Fix to get the camera working again. Update 3.0.1 The shields now recharge, the long shop hours has been fixed. Update 3.0 The icon was incorrect. The game now takes from the launcher. Update 2.0 The images were downloaded wrong, the game now runs a lot better. Update 1.0 This game is an unfinished hack of Final Fantasy 7.
