

Your character is the talisman of the Elden Ring, a legendary being of power who lives in the Lands Between, an endless space where there exists the power of fate. These lands are located between the human world and the Elden world. Elden Ring is set in a vast fantasy world. Man-made civilizations still exist in the lands that used to be the Elden world, but these have now been invaded by monsters who dwell beneath. The heroes – despairing souls seeking the dawn of salvation – have been summoned, and a new struggle of light and darkness has begun. And so, the journey of the person selected by fate and made into an Elden Lord begins. In this game, you can rise, help the others, and become an Elden Lord.

FEATURES: [Exploration] A vast world. We are in the Lands Between, an endless space where there exists the power of fate. [An epic drama born from a myth] As you are wandering through the Lands Between, in search of the other heroes in the world, a multilayered story is told in fragments. [Create your own character] You are the talisman of the Elden Ring, a legendary being of power who lives in the Lands Between. You are created by man, but a godly power is contained in you. [Contemplate and control your character] You can freely select your own appearance, weapons, armor, and magic. You can develop your character according to your play style, including increasing your muscle strength to become a strong warrior, or mastering magic. [New RPG elements] To achieve your dreams, you will be able to learn the truth of your destiny, become a master of the Elden Ring, and fight the monsters of the Lands Between. [Online play, where you can directly connect with other players] In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others. [Epic Plot] A vast world full of secrets and unknown threats. [Multiplayer battles, where you can directly connect with other players.] You can play together with your fellow heroes in multiplayer. [Regenerate and improve your equipment.] You can regenerate and improve your equipment with a mere click. [System Requirements] Operating System: Windows7/Vista/XP/2000 Service
