I would like to suggest you to upgrade Keyscape to the latest version. They have made a number of new features with Keyscape 8. I also would like to know how you got the packcrack file from Steinberg's site. I downloaded it from their site and it didn't work for me. Can you please let me know how you got it to work or how I might upgrade Keyscape. Thank you. PJ. [02:17] Do you still have SPSWORD.zip inside the Keyscape folder? PJ Middleton: Hi, I found that you used the free Keyscape plug-in from
