The New Dungeons Were Made for More Exploration and More Action To Go Along

The dungeons were made in the game with the mindset that it would be a wide open landscape that changes every time you go in. They have a unique puzzle element that allows you to go into a totally different adventure when you enter the dungeons.

The dungeons aren't just simple dungeons with one floor or a floor plan. With varied dungeons, you will find plenty of interesting items, and learning how to decipher new dungeons will be enough for you to always stand out.

Players who fully complete the game will enter the ultimate dungeon of the Lands Between! Obtain items. Reach a high level. Live again!

The game's dungeon has the most lifelike dungeon I have ever seen! Every floor of the dungeon is a different world, each with its own atmosphere and scheme, and puzzles and statues that even exceed any dungeon in other games.

Elden Ring Free [March-2022]

"The design philosophy of Elden Ring is that every action has consequence. The art style of the game embraces this, making your interactions with the world extremely tangible and comprehensive." "The action game genre has a bad reputation when it comes to mobile phones, but Elden Ring is an incredible exception." "Satisfying action games." THE NEW FANTASY ACTION RPG. Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. The War of Elden Ring begins. In the middle of the night, a group of men who call themselves 'Elden Ring' act out in devastation. For centuries, the country of Elden has been in peace, with its people living an idyllic life. One day, the 'Elden Ring' appeared, seeking to eliminate every last trace of the Elden people. In the midst of this War, where truth and illusion swirl around in the lands between, a hero destined to unite the Elden people under one name, Tarnished, will descend into the Lands Between. But the Elden people already had a hero.

A hero who holds a strong belief in the merging of the worlds of dream and reality, and who strives to protect both Elden and the lands between, a man whose unique attributes are the beginning of his saga of fate, unwavering support. This hero is Legion, his divine amulet floating next to him. ♦ Characters Tarnished
