The Elder Scrolls: Legends is an action-packed card game featuring the beloved characters and stories of The Elder Scrolls: Legends, players can choose from more than 70 playable cards from The Elder Scrolls: Legends. The game plays in turns and players take action based on the card they're currently holding. Players can choose to be aggressive and attack their opponents, or play defensively and hide behind their walls. Every action requires mana, the game's resource, which is used to play cards, cast spells, and activate abilities. In order to win, you'll need to use your imagination and creativity to craft the best deck from the cards available. *Note that this game is currently only available for Android devices. * Please note that this game does not support gamepads or touch screens. Rise as an Elden Lord and wield the power of the Elden Ring in this "arena RPG". • Create a lush fantasy world full of excitement This is not the fantasy world of old, but a 3D game world full of excitement where you can venture into large dungeons. Traversing a wide variety of terrain, you can discover a vast world full of surprise attacks. Moreover, vast open fields will be connected together; you will have the sense of having discovered new areas, while being filled with the excitement of new discoveries.

You are Tarnished. Your powers are broken.

You've been given a chance as an apprentice of the grand Smith Erromis. As the Elden Lord of one of the three rings, you must be unleashed your power in the world of the Chaos War.

However, the weakness in your body is great. Your Skill Points have been decreased by half, and your body is being attacked by the magical powers of the Daedra.

You have lived for only one day. You seek a chance to unlock the power of the Elden Ring to become a strong and new-leveled lord in the world of the Chaos War. This is your one and only chance...

THE TEACHER AND THE CHALLENGER. • You are in the middle of the chaos of the Chaos War. • This is your one and only chance to become a strong lord.

Described as the teacher that challenges the warrior, he is called the Smith Erromis; he has more than 2700 years of experience in battle.

GET RID OF THE DANUBERE. The Chaos War is coming Hard training with the less than a day of experience in the Chaos War
