I am trying to position my nav bar on top of the background image. I am using Zurb Foundation and I created a custom.css file to do so, but this has not worked. I am confused on how to fix the positioning. The menu is always positioned at the bottom. I want it to be in the top left corner of the background image with a margin of 40px to the right and 20px to the left. Any help is appreciated, thanks. Here is what I have: CSS: .container { text-align:center; } .page-header { background:url('../images/bg-top.jpg') no-repeat center center fixed; e79caf774b

contribute to the decreased visual function. Early involvement of the optic nerves may occur in people at an early stage of MS. Here we report a study of the prevalence of optic neuritis (ON) in early stages of the disease. Methods ===== The national MS register in Sweden (NMD) and national patient registers were searched for cases with first manifestation of MS. Cases with ON were identified. In this study the MS diagnosis was confirmed by more than one neurologist with involvement of more than one site. All other patients were identified as people with demyelinating disease (DD) of central nervous system (CNS) such as multiple sclerosis (MS), non-specific encephalitis (NSE) or neuromyelitis optica (NMO). Cases with optic neuritis (ON) were compared with the control group. Results ===== We identified 321 cases with confirmed MS and 725 cases with
