How to recover deleted data from Windows portable USB drive with EaseUS Data Recovery?. and many more programs. . I left my home country's communist system in 1991, it was declared a communist state. You say "Chinese propaganda," you're right, but so was the daily press, think tanks, government-sanctioned museums and politicians: Politicians are all mouthpieces of the Communist Party. I didn't want to live in a communist regime, and I wanted my children to live in a democratic country. We couldn't live together happily, so I moved to the U.S. I worked hard to raise my children. In the U.S., I couldn't find work for a long time, so I worked two jobs so my children could eat well. But eventually I was able to find a job and start my own business. After three years, I launched a financial service company in downtown San Francisco. The communist regime sent thousands of its corrupt political assistants to the U.S., and they used my success as a demonstration of the "economic miracle" of communism to boast that their system was working. The communist regime offered me a lot of benefits, including better education for my kids. My children grew up in a stable environment with everything they needed. My
